REQUEST FOR RECONSIDERATION OF PATENT TERM ADJUSTMENT

Dear Sir:

Applicant requests reconsideration of the patent term adjustment (PTA) in light of the *Wyeth v. Dudas* decision (D.D.C., Memorandum Opinion for Case No. 07-1492, Sept. 30, 2008).

Applicant agrees with the Office's calculation of 1241 days of "A delay" and 21 days of Applicant delay, resulting in the Determination of Patent Term Adjustment of 1220 days.

Pursuant to 37 C.F.R. § 1.705(d), Applicant hereby requests an additional 266 days of "B delay." Applicant arrived at this number by calculating 836 days as the difference between (a) the June 11, 2009 date of filing a Request for Continued Examination and (b) the February 26, 2007 3-year anniversary from filing. From this total, Applicant subtracts 570 days for overlap between the "A delay" and the "B delay."

Thus, Applicant respectfully requests that the Office reconsider the PTA calculation, and adjust the total from 1220 days, up by 266 days, for a new total of 1486 days. If a telephone conference would expedite the prosecution of this Request, please contact the undersigned attorney at (312) 913-0001.

Respectfully submitted,
McDonnell Boehnen Hulbert & Berghoff LLP

Date: December 10, 2009
